一、課程說明

This course aims to discuss language contact in the Austronesian world. Topics to be covered include: (i) language contact in general; (ii) effects of language contact on sound systems, morphology, syntax, and speech style or registers; (iii) borrowing and speech strata; (iv) pidgins and creoles. Data will be drawn from a number of Austronesian languages representing different subgroups and/or different geographical areas.

***This course will be offered in English.

**POLICY ON AUDITORS:**
Auditors are welcome as space permits. All auditors are expected to do the reading, give a presentation, and participate in class discussions.

六、成績考核

An ‘A’ really means ‘excellent’—90% or better for the overall course.

The course grade is based entirely on how well the following requirements are fulfilled; NO second chance or alternative work can be given.

(a) participation (10%)
(b) one article presentation (20%)
(c) a research paper (accompanied by an oral presentation on January 5, 2012) (due at 4:00PM on January 12, 2012) (70%)

- A late research paper will be accepted ONLY in DOCUMENTED cases of illness or crisis.
- ***Failure to make any oral presentation or failure to submit the research paper on time will result in either a “low pass” or an “F” (i.e. below 70) in students’ final course grade.
- ***Academic honesty is highly valued by the instructor. ***Plagiarism (i.e. the use of other people’s words and/or ideas without giving proper citation or acknowledgement) will result in an “F” (i.e. below 70) in students’ course grade.
- Students are responsible for material and information covered in classes that they miss.
