一、課程說明
This course explores morphosyntactic similarities and differences between Formosan and Philippine languages.
Topics to be covered include:
(a) reduplication
(b) word order
(c) nominal marking systems (including pronominals and full noun phrase markers)
(d) the structure of verbal clauses
Data will be drawn from a number of Formosan and Philippine languages representing different subgroups and/or different geographical areas.

二、指定用書
A collection of articles from journals and books

三、參考書籍
This course explores morphosyntactic similarities and differences between Formosan and Philippine languages through a series of readings, lectures, and discussions.

The course grade is based entirely on how well the following requirements are fulfilled; NO second chance or alternative work can be given.

- three library research reports (each accompanies by an oral presentation) (each 20%)
- term paper (40%)

- Late homework will be accepted ONLY in DOCUMENTED cases of illness or crisis.
- Students are responsible for material and information covered in classes that they miss.
